

26 May 1950

Case K-370

1. It is requested that ORE initiate action to prepare an Intelligence Project using the outline in the attached enclosures which cover the following subjects:

a. Data on the legitimate manufacture of arms and other munitions of war by foreign firms and the overt international movement of these items outside of the country of origin.

b. Data on the illegal and clandestine procurement and international movement of arms and other munitions of war, which are manufactured abroad.

~~2. It is requested that this study be completed as soon as possible within the next three months.~~
